Transport and Idioms

What are idioms? Idioms are words or phrases that aren't meant to be taken literally. For example, if you say someone has "cold feet," it doesn't mean that the person literally has 'cold feet'; it means that the person is frightened.

Can you guess what each of these idioms mean?

1. I have lost my train of thought
2. That ship has sailed
3. I'll cross that bridge when I come to it
4. You drive me round the bend
5. You don't need to reinvent the wheel
6. You threw me under the bus (to throw under the bus)
 - a. a lost opportunity
 - b. to blame someone else or put the responsibility on another person
 - c. to make someone angry
 - d. to forget what you were thinking about
 - e. you don't have to do something again if it has already been done by someone else
 - f. to solve a problem only if needed (not to worry about it beforehand)

Try to use the idioms in a sentence:

I was telling you something important when I lost my train of thought.
