## **Game 4 – Breakfast – Board Game**

You need 4 counters.

### **How to play**

Place the board in the middle of the group.

Spread the cards face down.

Each player or pair of players puts a counter on START. (There are 4 STARTS).

The first player reads the first word (e.g. tea) and turns over a card. If the picture matches the word, the player says, "I drink tea for breakfast" and then turns the card over (face down).

The player moves his counter to 'tea'. It is the next player's turn.

If the picture doesn't match the word, the player remains where he is and it is the next player's turn.

The player or pair of players who reaches the end of the row first is the winner.
