

# Stop

qu, sh, ch, th, ay, ph, kn, igh, st, ck, mb

This game includes words using the above sounds.

**The aim of the game is to practice reading and collect as many cards as you can.**

Print the following 10 pages.

Laminate them and cut along the dotted lines.

You will need one die.

## How to play

- Shuffle the cards. Place the cards face down in the middle of the group.
- A player rolls the die and starts turning over cards according to the number on the die. If the player turns over a 'STOP' card before he has finished turning over all his cards, he keeps the cards he has turned over and discards the 'STOP' card. He then reads the words on the cards.
- If the player doesn't turn over a 'STOP' card he turns over the entire amount of cards according to the number on the die.
- It is then the next players turn.
- The player who collects the most word cards is the winner.
