Game 8 - Every Day - Board Memory Game

You need counters.

How to play

Place the board in the middle of the group.

Spread the cards face down.

The players put a counter on START.

The first player reads/says the first word (e.g. wake up/the picture of 'wake up') and turns over a card. If the picture matches the word, the player says, "I wake up at 8 o'clock every morning" and then turns the card over (face down). The player moves his counter to 'wake up'. The player has another turn to find the next card 'brush my teeth'. Plays carries until the first player doesn't manage to find the next word. It is the next player's turn.

If the picture doesn't find the matching word, the player remains where he is and it is the next player's turn.

The player who reaches FINISH first is the winner.
