Write the sentence here:

On the first two pages students colour or put circles around the correct word or words for each picture.

For example Dad / a man/ a red card / drive.

Then the students write the full sentence: Dad is a man, he has a red car and he can drive.

On the third page the students can fill in the missing word or words and ask the other students or the teacher to circle the correct word or words and write the sentence.

On this page the students can draw their own pictures and fill in the missing word or words.
