Meet the Monsters

Hi, meet the monsters.

Cool Colin is the leader of the gang. He is 'cool' with his headphones and he listens to music all day. **Big Brad** lives next to Cool Colin. **Tall Tim** plays basketball in school because he is very tall. **Fat Fred** always eats hamburgers and chips for lunch. **Pretty Peggy** wears pretty clothes every day. Her favourite colour is pink. **Freckled Fran** has freckles on her face and wears a hat in summer.

They are good friends and like to meet every day.

Answer the questions:

1. How many friends are there?

2. Where does Big Brad live?

3. Why does Tim play basketball?

4. What is Peggy's favourite colour?

Describe: yourself

Write a sentence using three of the words from above:

My new phone

Emily received a new cell phone. She wants to add all her friends' phone numbers. She remembers Joshua's number, it is very easy. His number is 052-4681357; first all the even numbers and then the odd numbers.

Her mother's number is also easy, it is her birthday. Emily taps in the number, 050-5061973, June 5th, 1973.

Sofia's number is next, it is also her birthday. 28th September, 2003. Emily puts in 052-8092003.

The next number to be added is Daniel's number. His number has lots of zeros, 050-1003004. 0, five, 0, one hundred, three thousand and four.

Emily has enough of inserting numbers and waits for her friends to ring her.

Answer the questions.

1. List the four words used for typing in phone numbers.

2. Write your phone number in words?

3. What would your phone number be if you used your date of birth?

4. Which is the third number Emily puts into her phone?

5. How many zeros are in Daniel's number?
