MOVE ALONG – A / ANY / SOME

How to play:
You will need counters. There is one board and 35 cards.
Cut the cards up.
Place the cards face down in a pile next to the board.

The students place their counters on START

Each student in turn, picks up a card.
If the student picks up an 'a' card the student moves to the *nearest* square with a noun
that starts with a consonant and says, "I have **a tree**".
If the student picks up an 'an' card the student moves to the *nearest* square with a noun
that starts with a vowel and says, "I have **an egg**".
If the student picks up a '**some**' card the student moves to the nearest square with a noun
in the plural or a non-count noun and says, "I can see **some boys**".

The students move along the board according to the cards they pick up.

The winner is the first student to reach FINISH
