

Move Along

The aim of the game is to review **am**, **is** and **are** and to reach FINISH first.

You need counters.

Print the following pages.

Pages 2 and 3, laminate and join to form a board.

Pages 4 - 8, laminate and cut along the dotted lines.

How to play

- All the players place their counters on START.
- Place the cards face down in a pack in the middle of the group.
- The first player picks up a card, for example: '**he**'. The player names the card and moves along the board to the first square with an '**is**' and says a sentence. For example, "He is a boy."
- The first player to reach FINISH is the winner.
